Dear Roxbury Drive Community Member,

The City's Public Works Department invites your participation in the upcoming Protected Bike Lane Demonstration Project event adjacent to Roxbury Park.

This one-day event will demonstrate what a protected bicycle lane looks like and offer the chance for cyclists to test the proposed bike lane configuration and provide feedback on the design. See event diagram below with proposed bike lane layout that will be tested at the event:

*Existing Street Layout*

*Street Layout for Event*

This event will occur on **Sunday, July 25 from 10 a.m. to 4 p.m.** Parking on the west side of Roxbury Drive adjacent to Roxbury Park will be restricted from Saturday, July 24 at 10 p.m. to Sunday, July 25 at 10 a.m.

Protected bike lanes on Roxbury Drive, south of Olympic Boulevard, is the first high priority bikeway project the City is pursuing since adoption of the Complete Streets Plan in April 2021. Please visit the City's Complete Streets webpage for more information on the approved plan at [www.beverlyhills.org/completestreets](http://www.beverlyhills.org/completestreets).

If you would like additional information regarding this community meeting, please contact Public Works Customer Service at (310) 285-2467.

If you are an individual with a disability and need a reasonable modification or accommodation pursuant to the Americans with Disabilities Act (ADA) to participate in this meeting, please contact (310) 285-2467 prior to the meeting for assistance.
